

Dear Resident of Point Pleasant Beach:

We want to make a contract with you. The contract obligates us to work for you in a way that restores respect to Point Pleasant Beach and gives you, once again, a voice in how Point Pleasant Beach operates. Please look over what we will do. If you agree with our platform, we ask you vote for us. If elected, we will honor your trust in us and fulfill our obligations to you.

John Dixon, Mike Corbally and John Morrongiello

OUR CONTRACT WITH POINT PLEASANT BEACH

We will not allow Point Pleasant Beach to be absorbed by Point Pleasant Borough.

We will not dismantle the great institutions of Point Pleasant Beach, like our police force and our school system.

We will not surrender control of our Town to Lobbyists, Big Business, Hotel Owners or any interest that puts itself ahead of the interests of the Town as a whole.

We will require the Boardwalk to pay more of the cost for policing and cleaning up Districts 3 and 4.

We will not make sneaky “backroom” deals.

We will listen to what you say and not impose our will on you.
