

**MISMANAGEMENT RULES
IN
POINT PLEASANT BEACH**

WHAT THEY DID...	WHAT WE'LL DO...
<ul style="list-style-type: none"> • They are <u>rushing ahead</u> with a plan to combine Point Pleasant Beach with Point Pleasant Borough which will result in lower property values and the loss of our school system and police force. 	<ul style="list-style-type: none"> • We <u>won't</u> let Point Pleasant Beach become part of Point Pleasant Borough. We <u>will</u> make certain that the Beach retains its unique identity.
<ul style="list-style-type: none"> • They wasted countless hours trying to get Trenton to give us the right to pass local option taxes on liquor, beach fees and parking. 	<ul style="list-style-type: none"> • We won't waste time on futile projects. In this era of fiscal responsibility, Trenton <u>will not</u> authorize any new taxes.
<ul style="list-style-type: none"> • They tried to <u>pass an unworkable and unpopular parking plan</u>, cut special police officers leading to less parking ticket revenue and failed to repair parking machines which reduced our parking revenue. 	<ul style="list-style-type: none"> • We'll <u>add</u> meters to Channel Drive, <u>hire</u> more specials to better <u>enforce</u> parking regulations and <u>enter</u> into a service contract for the parking machines to ensure that parking revenue is not jeopardized.
<ul style="list-style-type: none"> • They <u>repealed the hotel tax</u> as a political payback which cost the taxpayers \$125,000 this year. 	<ul style="list-style-type: none"> • We'll <u>reinstate</u> the hotel tax so that tourists help pay for services provided.
<ul style="list-style-type: none"> • They <u>spent tax dollars</u> on ordinances that they did not introduce and on needless projects like building a parking deck and antique car museum. 	<ul style="list-style-type: none"> • Before ordinances are drafted, and money is spent, we <u>will submit</u> the ideas to the public for comment.
<ul style="list-style-type: none"> • They <u>want to stop</u> you from cutting down trees and bushes on your property. 	<ul style="list-style-type: none"> • We'll <u>never stop</u> you from using your property as you see fit.
<ul style="list-style-type: none"> • They <u>scream</u> at and <u>belittle</u> each other and the public at Council meetings which last into the next day. 	<ul style="list-style-type: none"> • We'll <u>restore</u> civility and decorum to the meetings and end them at a reasonable time.
